**Group Discussions**

***Determine who makes  
the best chowda'!!***

**Heightening the awareness of preventable health problems and increasing early detection and treatment of disease would significantly improve our Nation's health, as well as save limited health care dollars.**

**Recognizing and preventing men's health problems is not just a man's issue. Because of its impact on wives, mothers, daughters, and sisters, *men's health is truly a family issue.***
