& NORTHEAST INDIGENOUS ARTS ALLIANCE**

# **SUMMER GARTEN SERIES**

Mondays and Wednesdays 5:30 – 7:30 pm  
Starting July 2<sup>nd</sup>!

Northeast Indigenous Arts Alliance and Narragansett Food Sovereignty Initiative are partnering in the Native Arts and Cultures Foundation’s Native Nations Partnership to present a series of hands on intergenerational activities for the Narragansett Tribal Community. Classes will focus on the natural relationship of plants and art and how agriculture and many of the resources protected in the food sovereignty initiative are the foundation for countless art forms. Join us, share your stories, learn about agricultural practices, traditional plant uses, plant identification, material culture, as well as a few gardening tips.

Come enjoy the outdoors, experience the farm and explore how we can use our resources to create both utilitarian and decorative art.

These sessions will be ongoing, beginning July 2, 2018, topics will change weekly.  
Light refreshments will be provided, feel free to bring a dish to share.
