Chief Sachem's Office

August 2, 2021

Dear Fellow Tribal Members,

As the Chief Sachem of the Narragansett Indian Tribe, I am honored to provide an update of the activities spanning the dates 9/18/20 till 8/2/21. The Chief Sachem, Tribal Council, Tribal Directors, and Tribal Staff have done an incredible job providing services to more tribal members than any previous time since Federal Recognition. The COVID-19 Pandemic is once again on the rise and has taken a tremendous effort to service the Tribal public to the best of our combined ability. We have tried to inform the Tribal members of the latest of the latest news about the Corona Virus/COvid-19 Pandemic. We have provided information, nutritional support, health care supplies, PPE, and whatever the Federal regulations will allow to the members of the Narragansett Indian Tribe. Once again due to the Covid-19 Pandemic we cannot hold our 346th Annual August Meeting. At the time I want to acknowledge the various contributions in the ways of strategy and guidance by in no particular order the War Chief, Medicine Man, Medicine Woman, Church Board, and other individuals who have continually supported this current administration and Tribal Government during this difficult time. So far, we have been able to allow the tribal membership to have access to Schoolhouse and Deep Pond. This Pandemic is once again on the rise and we must take every possible precaution to try to ensure all possible safety precautions are being utilized for the safety and wellbeing of all our Tribal Members. We have the necessary equipment in order to attempt to have a "Zoom" meeting on September 11, 2021 at 10:00am. We are still in the process of getting this meeting set up and will inform the Tribal Assembly by mail, e-mail, and Tribal Webpage of the information needed to have such a meeting. After this meeting we are going to try to have two Tribal Assembly Meetings on the tribal lands in October. The major focus of these meetings will be to swear in Tribal Members that have provisional numbers in front of the Tribal Assembly and to hold vote to fill the upcoming vacancies on the Tribal Election Committee to allow us to have a three-seat council election in January 2022.
