

NARRAGANSETT INDIAN HEALTH CENTER

Improving health in our community

August 4, 2022

Dear Tribal Members,

The Narragansett Indian Health Center will be providing a wellness bag for those attending the 2022 Annual August meeting (Powwow). We plan to have 4 stations to provide the bags. One at the health center, one at the Administration Building, one at the Charlestown Town Hall overflow parking area and one along the Indian Church Road on the way to the Powwow grounds.

Please stop to get a bag before entering the grounds. There is one bag per family/individual. If your family has more than 4 people, two bags will be provided. Let us know if you need two.

Thank you and stay safe and well!

Sincerely,

Your NIHC Team!
