TRIBAL NOTICE

The Chief Sachem and Tribal Council met with the TEC following the “vote of no confidence” from the Tribal Assembly meeting on May 11, 2024. The Governing Body reviewed legal precedent and the information provided. It resolved that the “vote of no confidence” did not offer sufficient evidence for further action at this time. Election grievances can be addressed through the election appeals process identified in the Tribal Election Ordinance.

Tribal Election Ordinance, Article 10 - Ratified on 3/30/2024.
